Our Commitment to Safe Chemistry

RugDoctor strives to offer you safe and healthier products to clean up life's messes. And we design all of our products with environmental sustainability in mind. RugDoctor's cleaning formulas for carpet deep cleaners, as well as RugDoctor sprays, contain biodegradable detergents and have no phosphates, dyes, optical brighteners or heavy metals.

RugDoctor Consumer Product Ingredient Communication Initiative encourages the use of a consistent format and set of terms for describing the ingredients in floorcare products. This document was created in accordance with CPIC guidelines. Fragrance materials are included on the list authored by International Fragrance Association and available at [IFRA Ingredients](#).
